COMPETITIVE TECHNICAL DIALOGUE EXTENSION NOTICE

Regarding: Competitive technical dialogue preceding the planned public procurement procedure for logistic support for the IG PAS expedition to East Antarctica in the season 2021–2022 (ref. no. DT/01/20).

This is to notify all interested that the Ordering Party has decided to prolong the competitive technical dialogue preceding the planned public procurement procedure for logistic support for the IG PAS expedition to East Antarctica in the season 2021–2022 (ref. no. DT/01/20) until 31 December 2020. As a result, Point 3 of Chapter 5 of Competitive Technical Dialogue Notice has been updated as follows:

*The competitive technical dialogue is expected to finish on **31 December 2020**.*

On behalf of the Ordering Party
