

APPLICATION FOR Phd SCHOLARSHIP

NAME/SURNAME	
---------------------	--

I, the undersigned hereby request for granting me a Phd scholarship for a young scientist in the framework of the project entitled " Satellite imagery to support flood risk modelling in large European rivers." implemented in the Department of Hydrology and Hydrodynamics, at the Institute of Geophysics Polish Academy of Sciences.

Scientific field	Master's degree	
	obtained	in the process (to be obtained before the start of doctoral studies)
Hydraulic engineering		
Geophysics		
Geomorphology		
Another related - what		

Requirements:

Requirement	YES (I meet the requirement) or NO (I don't meet the requirement)	Comment
Experience in hydrological and hydraulic modelling		
Experience in GIS and remote sensing		
Good knowledge of coding		
Experience in delivering seminars and writing articles/reports		
Willingness to travel and stay in United Kingdom during the internship		
Good knowledge of English		

Science achievements:

Reputable publications (participation)		
Title of the publishing house	Theme of publication	Publication date/ISBN
Publication in reputable journals		
Title of the journal	Theme of publication	Date and publication number
Other science achievements		

Awards resulting from academic research, scholarships, awards and research experience gained outside the home scientific unit in the country or abroad, workshops and scientific training, participation in research projects:

Conducted research / participation in research projects			
Implementation period	Subject	Under the guidance of (name, surname, academic title)	
Scholarship			
Period of receiving	Awarded on the following basis:	Awarded by:	
Awards			
Year	Awarded on the following basis	Name of award/Awarded by	
Experience gained outside the home research unit -in Poland			
Name of research unit	Cooperation period	Short description of cooperation	
Experience gained outside the home research unit – other countries			
Name of research unit	Cooperation period	Short description of cooperation	Name of research unit

Workshop and science trainings			
Date (or year)	Subject		Location

I hereby declare that all the information about my achievements and accolades are true. I declare my willingness to carry out research tasks arising from the above project scope, agreed with the Project Manager. I declare I'm ready to submit annual reports on the work performed in accordance with the principles of professional ethics. I declare my availability throughout the duration of the project, i.e. from the signing of a contract, up to the end of the project (planned 30.09.2024).
